

Ulefone Armour 11 5G

GORUGGED

The Ulefone Armour 11 5G sets the tone for what defines a rugged phone. The Ulefone Armour 11 5G has undergone the most rigorous and difficult tests (IP68/IP69K/MIL-STD-810G) to prove its robustness. Its resistance and watertightness makes it a reassuring and efficient tool for all outdoor workers, whether in rain, mud or dust. A quick rinse in the evening and it's as good as new. It also can withstand shock, drops, vibration, extreme temperatures and more.
