

PHONEMAX M10

Introducing our rugged phone, designed to withstand the most demanding environments and provide unparalleled durability. Built to accompany you on your wildest adventures, this rugged device boasts an IP68 water and dust resistance rating, ensuring it can withstand immersion in water up to 1.5 meters for 30 minutes and resist the ingress of dust particles.

With a MIL-STD-810G certification, it can withstand extreme temperatures, shocks, vibrations, and drops from a height of up to 2 meters without compromising its functionality. The reinforced frame and scratch-resistant Corning Gorilla Glass protect the vibrant display, while the robust battery ensures long-lasting usage in the toughest conditions.
